No. 2, 1985 - March

Dear Member,

Formal notice and details of the AGM to be held at the Mandarin Club on Sunday 21st April is given elsewhere. The decor and the food have an excellent reputation so mark your diary, send in your money and **BE THERE!**

Papua New Guinea is celebrating the tenth anniversary of her independence, on September 16th, and preparations are already under way to mark the occasion. More at the AGM and in later Newsletters.

The PNG Government recently purchased the building at 100 Clarence Street, Sydney and the Consulate-General offices have now moved to the new address, which is opposite NRMA and between Barrack and King Streets. Air Niugini offices have also relocated there. Members are reminded that they are welcome to use the facilities at the Consulate-General, which includes the library and PNG newspapers. John Hunter, the Public Relations Officer, will be happy to see visitors.

Any system is going to have its bugs and problems, sometimes human and sometimes technical. This also applies to the systems used to send our cheques either by Australia Post or via a bank. However, from where we sit there have been less problems for Members who have their cheques paid into a bank or building society account and we would suggest this is the better course to follow if you want your money on time.

President Bill Seale is retiring after 10 years of much appreciated and sterling service at the helm of the Association. "Elder Statesman" Bill has already been nominated as a Patron to join his old friend Sir Horace Niall.

2.

With inflation, taxation and rising costs your Committee has had to look more closely at the Association's financial position. On the question of annual subscriptions your Committee recommends that as the present fees just cover costs there is no need for an immediate increase, but in view of inevitable rises in costs the annual subscription, from January 1986, should rise to \$5.00 for Members and \$3.00 for Associates.

With regard to Life Membership, which is really a mortgage on the future, it is the Committee's recommendation that we should accept no further applications for this type of subscription and should continue to monitor the situation.

* * * * *

At the last Committee Meeting concern was expressed about the rising age level of Members generally and the possible consequences for your Association. Although some felt there was no immediate problem, others said that some discussion about alternatives should begin and a paper should be produced for the AGM for this purpose. It was emphasised that this would be only to start Members thinking about and discussing our future. Any possible action resulting would have to be fully canvassed among, and approved by, Members.

* * * * *

Committee Member, Bert Speer (PHD), has been contacting pre-war Members and widows from whom the Association has not heard for some years. A secondary benefit has been some updating of our records, but in the Committee's view the major outcomes have been showing the Association flag in the sense of letting them know they have not been forgotten, and the opportunity of giving advice and/or assistance in the cases where this was requested. Bert will be continuing his endeavours in the Sydney area -- his phone number is 438-1120 if you would like to ring him.

Hopefully we can do something similar in other areas -- but more of this at the AGM.

One of our Members, Dr. J.H. Szent-Ivany, was made an Officer of the Order of Australia (A.O.) in the Australia Day Honours List. Joe was a very popular postwar entomologist, who has published prolifically and held many prestigious positions such as Fellow of the Royal Entomological Society, Trustee and Consultant, PNG Public Museum and Art Gallery, and Presidency of PNG Scientific Society. He and wife Maria now live in South Australia (see membership list).

There must be something special in the bug hunting field -- Dorothy Shaw receiving an MBE several years ago also for her work in PNG.

* * * * *

Edward (Jim) Schofield, who was a former Regional Director of Civil Aviation in PNG, was also made a Member of the Order.

* * * * *

HAVE YOU HEARD

Hal Holman recently held an exhibition of paintings, drawings and sculptures in Sydney with many of the exhibits relating to PNG. Hal was in that country for about 10 years and among other things he designed the national Crest, which has been used since Independence. He is now president of the Hornsby Art Society, near Sydney.

* * * * *

Geoff Crouch (Education) turned 80 in February, 52 years after his marriage and his ordination in the Methodist Church. Still preaching and teaching, he is also Captain of a tennis club and recently won a team table tennis competition (the three man team included his grandson!). The Crouchs have 4 children, 20 grandchildren and 2 great grandchildren -- so much for the nuclear family! Son Ian is also a teacher and preacher in Georgia, USA, daughter Anne a doctor in Brisbane, Barbara a dietician in NZ, and Joy manages a skating rink and indoor cricket complex in Victoria.

* * * * *

Tony Cooke, ex kiap, is now in Cairns where his executive and public relations skills are being put to good use as advisor/community officer with the Yarrabah Community Council, a nearby aboriginal group. (Tony, Vin Smith [now back in Moresby] and Dr. Laurence Malcolm helped pull me out of the plane when it crashed and caught fire way back in '64 -- so you can blame them for any editorial mistakes or bloomers in your Newsletter!) Good luck, Tony.

* * * * *

Jean Parle (Education) has left her trendy Melbourne suburb for Cowes (Victoria, not England). Jean apologised for Melbourne's unkindness to the Editor (see last Newsletter) and sent a cheque to help Una Voce. Many thanks, Jean -- I'm thinking of a re-enactment of my accident if I could be sure all Members would follow your lead!

* * * * *

Terry Shelley (co-ops Chimbu in early 60s) was seen in Cairns recently returning PNG, and is now a proud father of three.

* * * * *

Michael Grey (D.N.A) who also achieved some fame in Chimbu in 1961 was seen commuting to work on the Manly ferry in late '83. Hear he has thrown away his business suit and was last heard of in Vanuatu on some UN development job.

* * * * *

Colin Campbell (DNA) well known man about Perth, parted from his tavern a couple of years ago and is reported to be back in Kimbe, helping the oil palms to grow.

* * * * *

Hear tell the "Moresby Mafia" in Darwin (composed of ex PNG officers now working in the Northern Territory) is bigger and brighter then ever. Jim Toner (D.N.A)

4.

is also part of the Moresby connection there but in the more rarified academic levels where he tries to keep expenditure in some relationship to the estimates for the A.N.U. Research Unit in Darwin.

When last heard of, Flo and Ray Carlaw (PHD) were shivering in the depths of winter in Minnesota. Now they are perspiring in Burma where their address is c/- U.S.A.I.D. American Embassy, Rangoon.

Jean and Bobby Gibbes celebrated their 40th wedding anniversary in late January in Brisbane at the home of daughter Julie and her husband. The 40-odd people present naturally included many old PNG and Australian friends who came from near and far. Also, their other daughter Robyn (of film fame) and her husband came from Melbourne.

Barry and Jean Bond are excited about an impending holiday in England, where they have arranged an exchange of houses through what appears to be a very efficient agency. This may be of interest to many of us and we shall let you know further of their experience. Also, the agency have been asked to send us some information.

Some W.A. news from a recently returned foreigner from the East! Seen lunching at the Royal Perth Yacht Club were Col and Eileen Liddle (DNA). Col has an ocean-going yacht crewed by his six sons and proudly shows visitors the new home of the America's Cup. Incidentally, Col is now the Executive Officer of the Inland Waterways Commission. At a guess that would make him the meat in the sandwich between the would-be developers connected with the defence of the Cup and the conservationists!

- A sub-committee has been searching for other suitable venues, bearing in mind our needs for space, amenities, proximity to public transport, food and beverages, atmosphere and economy. Some eight places have been checked and the sub-committee has selected the Mandarin as the best - so let's support the choice.

August Kituai is a PNG student working for his Doctor of Philosophy in history at the Australian National University. He is researching the history of the PNG police forces from 1920 to 1949. He would be very grateful if Members would send him any information they have about the police forces of that period, e.g. extracts from reports, personal experiences, views on performance, why the forces were started, regular routine activities, relationships with European officers, other police, carriers, villagers, women etc., outstanding individual police, views about contribution of police towards the development of PNG, any literature such as letters, reports etc., photos, uniforms, accommodation and so on. As August writes "Requests like this may seem somewhat of a nuisance but I believe that officials such as yourselves are custodians of much information on PNG history which should not be lost but passed on ...for the benefit of future generations".

The Newsletter has printed requests such as this with varying results, but here is a national making good in his own field and trying to develop the story of a group of Papua New Guineans on whose loyal assistance Australia's success in PNG, in both peace and war, depended so much. Lets's try to help him!

August's address is: 4/14 Masson Street
TURNER, A.C.T. 2601

We often get queries about books on PNG and so we are happy to tell readers of sources of supply. Melbourne University Press, P.O. Box 278, Carlton South, Victoria 3053, have gone a step further and Alan Fettling, Retail Manager, has offered to obtain a copy of any book currently in print -- not only those published by MUP -- and give a 10% discount on recommended retail price, so now you have no excuse for not getting that book you want.

* * * * *

A review of The Moon Man, E.M. Webster's biography of Nikolai Miklouho-Maclay, the famed New Guinea explorer, will appear in the next Newsletter.

HAVE YOU HEARD.....

Ricky Wyatt (Education, mostly Sepik) is in Perth with the Federal Department of Aboriginal Affairs. Understand he and Gus Bottress (DNA from here, there and everywhere) and our spy from the East were seen having a long "business" luncheon -- funny business, I'd say!

* * * * *

Jack Butler (Police) has been gracing the Veteran's Affairs hospital in Perth of late, but hopefully has managed to escape. Good luck and good health, Jack!

* * * * *

Another with serious health problems has been Neville Chester, who has managed to defeat the tumour scourge -- his advice is not to rely on X-rays alone, which showed nothing, but also have a Cat Scan - which showed a lot! Neville is now back home and progressing under Florence's tender care -- another for our good health and good luck wishes.

As reported elsewhere, President Bill Seale is stepping aside as President and your Committee is anxious to get through the agenda and the election of all office bearers as smoothly and quickly as possible.

Nomination forms for such positions and proxy forms for voting are included in this Newsletter. Please send them in as soon as you can so that they can be collated. Further nominations will be accepted at the Meeting, preferably as you come in, so that they can be sorted before the election begins.

As a matter of interest, two of our remaining nine Papua Scheme members were nurses in Papua - Miss Constance Burton and Mrs. McArthur.

The following potpourri of PNG news was gathered from the PNG Consulate-General's bulletin --

The Royal PNG Constabulary Band has been honoured by an invitation to take part in the Royal Tournament at Earls Court, London, the Edinburgh Tattoo, the Aldershot Tattoo, and the Royal Norfolk Show in 1986.

PNG will establish an Embassy in Bonn, West Germany, and Kuala Lumpur, Malaysia.

< < < < < > > > > >

Captain Granger Narawa is the first Papua New Guinean to be appointed to train pilots to fly the Dash 7 aircraft.

< < < < < > > > > >

The Chimbu Provincial Government has been suspended due to mismanagement, and joins the previously suspended Governments of Enga and Manus.

< < < < < > > > > >

The \$16 million sealing of the Highlands Highway in the Eastern Highlands Province has been completed. The 138km section between Daulo and Kassam Passes was opened by the Prime Minister. (This must bring back memories to many.)

Petroleum companies will spend about \$130 million looking for oil reserves in PNG this year.

< < < < < > > > > >

A brick making factory will be built in the Simbu Province. A meat cannery is to be set up in Madang, the first in the country; and Goroka is to have a new clothing factory.

For all Bougainville Copper shareholders -- the company faces a sharp fall in earnings for 1984 after a year of declining head grades, a 16 day strike and low copper, gold and silver prices.

PNG sent a lawn bowls and a shooting team to the Australia Games and a team to the 1984 Windsurfer World Championships in Perth, Western Australia.

+With deep regret we record the passing of the following Members and friends.
+On behalf of the Association the Committee extends sincere sympathy to their families.

PNG

Miss Agnes (Kerry) Purcell
9/1/85

In Canberra. Formerly Matron who nursed at Goroka, Nonga and Wewak, retiring in 1973.

+ NEW GUINEA

Mrs Lily Hodgekiss
3/1/85

In Sydney, aged 94. Widow of "Jimmy" (a prewar P.O) Former sister i/c hospitals.

Mrs. Dorothy Oakley
19/1/85

In Mosman, aged 83. Widow of E. Ward Oakley formerly D.O. Madang. A committee member of ours who will be greatly missed.

Mrs Lorna Coe
25/1/85

In Manly, aged 84. Widow of Dick Coe
of Customs - lost on Montevideo Maru.

+ PAPUA

Sydney Edward Reilly
10/1/85

In Brisbane, aged 89. Retired 1951 as Chief Surveyor, Papua. Former prominent member and president of Australian Institute of Surveyors. Leaves widow Sybil.

In Vale the passing of Mrs Lorna Coe was noted. Lorna was born in 1901 at Port Macquarie where her father was lighthouse keeper, later moving to Solitary Island, South Head and Barrenjoey. She married Dick in 1940 and went to live in Rabaul - being evacuated in December '41 with tiny daughter. Dick was lost on the Montevideo Maru. Lorna lived the remainder of her life at Manly, becoming well known for her charity work. She is survived by daughter Margaret, now married to Tim Goode in Stonyfell S.A. who has kindly donated Lorna's valuable collection of photographs to the Association. These are being captioned and indexed and it is hoped to present them to the PNG Consulate General in memory of Lorna and Dick.

* * * * *

Mention was also made of the passing of Dot Oakley, an event which greatly saddened the members of your Committee with whom she worked over the past couple of years. Even at her age - which few of us suspected - Dot was always a volunteer, ready to help at any job. Though I was at Royal North Shore Hospital three or four times a week during her last stay there yet I knew nothing of her being there. It is a matter of sincere regret to Pamela Foley and I that we did not know she was in Mosman Hospital, not far from our homes, for we would have gladly visited her. Pam always drove her to Association functions and meetings, and will miss her cheery company on these trips.
